20 May 2020

Dear Parents and Carers of pupils from Sandfield and ACE

I hope you and your families are well. Following the recent announcements from the Government and Liverpool City Council I wanted to update you with the situation in school.

We are continuing to open for certain pupils as identified by Liverpool City Council and teach remotely all other pupils. These arrangements will continue after the half term (starting back Monday 1st June). From 15th June we will be looking to increase the number of pupils attending school. Initially this could be Year 10 pupils from ACE and any pupils from Sandfield whose health would allow for this, taking in to account the latest advice from the Government. Any pupil return would be in full consultation with parents and would only happen if parents were happy for their child to return to school.

In the meantime, we will be looking at individual pupil risk assessments to identify what pupils could potentially return to school as well as implementing whole school risk assessments if pupil numbers increase, to keep pupils and staff safe. I will continue to liaise with Liverpool City Council, staff, unions, parents and governors to make sure that we have these rigorous risk assessments in place.

We are determined to make school as good as we can for the pupils, whether this be working at home or in school. We are conscious that we have a number of pupils leaving Sandfield and ACE this year and we want them to have their leaving celebrations and presentations. These will obviously be different, but we have some ideas and are working on these. We will send further details next half term.

Thank you so much for the very positive feedback that we have received from you about your experiences with the remote teaching / learning that we have been providing. Can I encourage anyone who has not yet had chance to return their feedback to do so asap.

We finish school and remote school this Friday, I will update you again when we return after half term.

Very best wishes to you and all our pupils.

Yours sincerely

Mr. M. Hilton  
Headteacher
