Pupil Premium	Brief Details	Amount Spent and Impact
Improved personalised curriculum relating to pupil needs	Amend curriculum and opportunities offered to students. The curriculum needs to be more responsive to pupil needs – communication skills and work related learning	£0. LTPs re-written – will do this on an annual basis. More focus to plan for post 19.
Improved monitoring of pupil performance	Review monitoring procedures and collection of whole school data. Ensure that data is collected to measure performance of pupil premium eligible pupils	£0. Reviewed and decide to pilot EFL app in one class – v. successful – see parental comments
Increase capacity in Communication Team	Re-deploy staff and allow them extra time to work together. The school has many pupils who need to develop communication skills for them to be more independent	£12500. Staff deployed. DAGG assessments showed good progress made by individual pupils. Need to continue to delegate more to LSAs in class.
Improve work related learning skills	Employ extra member of staff / re-deploy learning mentor. Undertake more work place placements. Develop an employability strategy so that pupils can be more independent with some ready to undertake employment.	£12500. Learning mentor supported internships and work placements. Pupils now getting jobs and more employer's part of SI programme.

<p>Improved attainment for targeted individual pupils with PP</p>	<p>Purchase specialist equipment / resourcing.</p> <p>Each pupil has been set individual pupil targets in relation to their starting points and predicted grades using CASPA. Those receiving pupil premium are highlighted on tracking data sheets to ensure that their predicted targets are trying to be realised. If they are not on track to achieve targets then support mechanisms are put in place. Analysis of pupil performance 2016-17 showed that some pupils required more targeted support. It was necessary to identify them on the data tracker so that staff could support as required.</p>	<p>100 % of pupils receiving pupil premium made at least expected progress and majority made at least good progress. See individual pupil case studies to show impact on certain pupils.</p>
