Safeguarding Advice for Visitors

Mobile Phone/Tablet Use

NB: You are not allowed to photograph a child without the School's permission or use your personal mobile phone in areas used by young People.

Sandfield Park School is committed to safeguarding children and promoting children's welfare and expects all staff, governors, volunteers and visitors to share this commitment and maintain a vigilant and safe environment. It is our willingness to work in a safe manner and challenge inappropriate behaviour that underpins this commitment.

By signing in and out of the visitors' system you are agreeing to follow the advice within this leaflet. All visitors must wear the visitor's badge and lanyard provided by reception. An adult without a badge will be accompanied to the school's reception to confirm they have signed in.

Visitors must be accompanied at all times by a member of the school staff.

Unsupervised visitors: If your visit involves unsupervised contact with young people you will be asked to show the photographic ID badge provided by your employer and written confirmation that you have an Enhanced DBS Certificate including a Barred List Check. You may be required by the school to present your Enhanced DBS Certificate. We will note down the DBS number and date issued but will not make a copy of it. You will also need to read and understand the school's Safer Working Practices Code of Conduct for Adults and Part 1 of the DFE's Guidance, 'Keeping Children Safe in Education' (2018). The school's Child Protection Policy is available on the school's website.

If you have ANY concerns about a child's welfare or well-being or have a concern about the behaviour of any adult within the school towards a child:

- Discuss your concerns without delay with the Designated Safeguarding Lead or the Headteacher or a member of the safeguarding team.
- Remember it is important to share your concerns even if you are unsure.
- Anyone (in emergencies or if they need to) can make a referral directly to Children's Services.
- The Local Authority Designated Officer (L.A.D.O.) for managing allegations against staff and volunteers can be contacted via Children's Services.
- The school office can provide you with a copy of the school's procedures for managing allegations against staff and volunteers.

If a child makes a disclosure to you:

- Do not investigate but report this immediately to the Designated Safeguarding Lead or another member of the senior staff at the school
- Avoid being shocked or embarrassed.
- Listen to the child without interrupting them.
- Do not promise to keep a secret.
- Do not ask the child any leading questions.
- Reassure them that 'it is not their fault and they have done the right thing to tell you'.
- Immediately following the disclosure report your concerns to the Designated Safeguarding Lead (see above) and write down what the child said using the child's own words and phrases. Sign and date this document and hand it to the Designated Safeguarding Lead.
- Consider how best to manage your own feelings

- Following reporting your concerns remember that the disclosure and the child's identity should remain confidential

The school has a full code of conduct to encourage safer working practices for all adults working with young people, including advice regarding 'on-line safety'.

Remember:

- Provide a positive role model to young people
- Dress appropriately, ensuring your clothing is not likely to be viewed as offensive or revealing
- Treat all members of the school's community with respect and tolerance
- Work with children so that you are visible by a member of the school staff
- Respect a child's privacy and dignity
- Always be able to justify any physical contact you have with a young person
- Always report any situations that arise that you may feel may give rise to a complaint or misunderstanding in respect of your own actions
- There should be no delay in ringing 999 and requesting fire, police or an ambulance.

Never:

- Photograph a child without the school's permission
