Dear Parents and Carers

School has been operating for 10 days now and I am very pleased with how systems have been implemented by staff and pupils to help keep our school community safe at this time. The School has operated in a number of 'bubbles', with each working in isolation. Transport to and from school now seems to be working well for all. We will continue to monitor this and amend as necessary. The school's full risk assessment is on the home page of the website.

Thank you for the support that we have had at this time from yourselves, it is much appreciated. We need to continue to work together so that we can keep the school open and try and keep everyone safe. **Thank you in particular for being sensible and not sending your child in to school even if they have the slightest of any of the symptoms** (I never thought that I would thank parents for keeping pupils at home rather than send them to school). However pupils and staff at Sandfield and ACE need to be carefully looked after and the only way this will happen is by stopping the virus entering the building in the first place.

To continue to help us can you please keep contact numbers updated and if these change, it is crucial that we can contact you in an emergency.

Please also ensure your child brings a mask every day as they will be required to wear them when not in their classroom. If a child arrives without a mask, we will need to send them back home.

I will continue to update you and I will continue to take advice from Central Government and Liverpool City Council to guide me in any decisions that I have to make.

Yours sincerely

Mr. M. Hilton
