Dear Parents

We hope you and your families are well. Following the Covid – 19 updates last weekend and the letter sent out earlier this week, there will be some minor changes in school, however we are determined to ensure school Christmas activities will take place as much as they possibly can. This year we will be able to do a few more events compared to last year, but unfortunately we still cannot fully invite parents in to school on a large scale. Please see details below:

Week beginning 6th December Christmas Fair - Pupils will be able to view and then parents and pupils can order on - line

Friday 10th Pupils Christmas Lunch and Christmas jumper day

Wednesday 15th Christmas Pantomime – Aladdin. Zoom details for parents to watch at home will be sent

Friday 17th Pupils Christmas Parties (in each classroom)

Tuesday 21st - Christmas Service. This will be available from 10 am for parents to enjoy on You Tube.

Tuesday 21st - Last day of term - pupils to be collected at 1:15 pm by School Transport or parents.

So that these activities can take place safely, we strongly advise parents to regularly test (at least twice a week, ideally Sunday and Wednesday) their child for Covid-19 using a lateral flow test.

Despite restrictions, we wanted also to make sure that parents knew about all the excellent work their children have been doing this term as photos of various activities are put on the school website every Friday. There is also an Instagram page that parents can access to see all the photos that have been uploaded. These show just how well pupils, teachers and teaching assistants have adapted to the situation to ensure we can function as normal as possible as a school.

Finally, last week pupils were able to use the first part of the School Swing, which has been installed in the school playground. This is one, specially made for pupils in wheelchairs to use. Pupils were very excited to use it as they have been so patient waiting for it. By January the other part of the swing will be completed so that eventually all pupils will be able to enjoy it.

As ever thank you for your continuing support.
