STUDY . WORK . LIVE

WHAT IS LIVERPOOL PROMISE?

Our vision is for Liverpool to be the best city in the UK to grow up in. We want Liverpool's children and young people to:

- Have the best start
- Be ready to learn
- Be ready for school
- Be ready for work
- Be healthy, happy and safe from harm

Liverpool Promise is a partnership between schools, students, the Mayor of Liverpool, the council and other organisations who support education in Liverpool. Commitments are being made, in the form of promises, to each other and to the students and families of Liverpool.

Liverpool Promise will bring together school staff, children and young people, cultural organisations, businesses and leaders from across the city, all who want to make a positive difference to the lives of children and young people.

WHO HAVE MADE PROMISES SO FAR?

A variety of organisations have already signed up to Liverpool Promise:

Association of Liverpool Special School Headteachers

Liverpool Association of Secondary Headteachers

Liverpool Primary Headteachers' Association

Liverpool Learning Partnership

School Improvement Liverpool

Mayor's Office and Liverpool City Council

Liverpool Cultural Education Partnership

Liverpool Clinical Commissioning Group

Young Advisors

THE PROMISES WE ARE MAKING

Each of these groups has made their own promises. Themes include:

Improved attendance

Support and implement the Liverpool Attendance Strategy.

Recruitment, retention and professional development of staff

Recruit the best teachers and school staff whilst retaining the excellent staff we already have in the city through high quality professional development and training for teachers and school staff.

Student engagement

Schools' Parliaments, Young Advisors and other student bodies will co-create solutions that promote progress.

Promoting employment and skills

Forge links with businesses, universities and others to increase students' access to the vast range of opportunities open to them beyond school and into the world of work.

Mental health and wellbeing

Build on the mental health and wellbeing strategy to improve support for students, with an emphasis on prevention.

Cultural entitlement

Ensure every child has access to a high quality arts and cultural experience during each Key Stage.

HOW YOU CAN GET INVOLVED?

The launch of the Liverpool Promise today is just the beginning. We are interested to hear about how your school or organisation could get involved in Liverpool Promise, perhaps by making promises of your own to young people, parents, staff and governors or encouraging others to get involved.

We want to inspire other partners in the city to join us and make promises of their own. We would like to hear your ideas and suggestions, please contact liverpoolpromise@liverpool.gov.uk
