Dear Parents and Carers,

As part of the school's Personal, Social and Health Economic (PSHE) Education, your child is soon to/ will this term receive relationship and sex education (RSE) lessons.

Nowadays, there is a vast amount of information about relationships and sex on the internet, on TV, in magazines, which children and young people are exposed to. This can sometimes make an already confusing time seem even more complicated.

If students are provided with timely and age appropriate information about their bodies and relationships, they can make their transition into adulthood with the confidence and knowledge to understand what is happening to them, and hopefully grow into confident and healthy adults able to make positive choices.

Sandfield Park School aims to reinforce what you are already doing at home. The school is committed to working in partnership with parents and is keen to hear your views about what students should be taught.

If you have any suggestions to include in our policy and scheme of work please complete the slip below and return to your child's class teacher as soon as possible.

Thank you for your co-operation.

S.Foga (PSHE and RSE Coordinator)
