

Sandfield Park School
Examinations Academic Year 2014-15
Key Stage 4

This academic year saw the introduction of a number of different external accreditations into both the Key Stage 4 and the Sixth Form curriculum.

In Key Stage 4 pupils studying Maths and English at 'Entry Level' were given the opportunity to sit the AQA Functional Skills Maths and English Examinations, in previous years, pupils only sat Functional Skills examinations in ICT. The decision to extend Functional Skills to Maths and English was made after consultation with the Local Authority, discussions with other schools and looking at the enrolment requirements of Further Education Colleges. It was also felt the specification would suit pupil needs as they enabled our pupils to demonstrate real life Literacy, Numeracy and ICT skills through assessment in everyday situations.
