Some talk with help from their puppeteers. Pupils will identify different designs of puppets for different purposes and disassemble puppets to look at the stitching techniques.	Pupils will learn how to name fruit in Spanish. Matching cards (picture–word). Colouring sheet: "Mi cesta de frutas".	<i>Pupils will learn to identify how these foods have been produced, processed and sold.</i> Pupils will identify how their food of choice has been produced, processed and sold.	Pupils will learn to play the melody of a simple festive song. Pupils are able to choose correct notes for “Jingle Bells” or similar tune. Pupils are able to demonstrate playing in time with a backing track. Pupils are able to describe the festive mood of the music. Pupils are able to identify when to start and stop playing.	<u>The landscapes of weaving</u> Pupils will learn that weaving is the process of making fabric by interlocking two sets of yarn or threads Pupils will create a finger weaving using their choice of thread.	Pupils will learn to recognise how Christians celebrate Christmas. Pupils will describe the meanings of some Christian symbols and objects used at Christmas Celebrations	<u>REBOUND THERAPY</u> Pupils will learn how to perform two footed bounces with support, landing evenly. Pupils are able to demonstrate landing evenly when bouncing on two feet with hand-on-hand support from the teacher. <u>BASKETBALL</u> Pupils will learn how to execute a set shot. Pupils are able to demonstrate using aspects of the set shot technique 5 times in isolation.

S1 Medium Term Curriculum Plan Autumn 2 2025

Week 2 10 th - 14 th Nov	Assessments- ELS Phonics Class Reader- Oliver Twist Pupils will be Introduced to two main characters in the book. Pupils will describe the characters. Narrative writing: -yr7) Pupils will learn to give their own response to the same clip of The Man on the Moon Pupils will participate in a class discussion on this.	Pupils will learn to recognise and explain the value of 2p coins in pence Pupils will recognise 2 p coins and can understand that one 2 p coin represents a group of two pennies.	Pupils will learn to describe the simple functions of the basic parts of the digestive system Pupils will successfully label and describe the human digestive organs and functions.	Pupils will learn that that a program is a sequence of instructions that specify operations that are to be performed on data Pupils will describe a computing programme.	Pupils will learn to understand what to do in an emergency and to develop basic first aid and life-saving skills Pupils will know how to clean a cut and use a plaster.	Pupils will learn about King Edward VI Pupils will describe what kind of boy Edward VI was. Remembrance Day 11/11/25	Pupils will demonstrate a Cams and Follow simple rotating toy from last half term rotary mechanisms topic.	Pupils will learn what is typical Spanish cuisine. To taste test some Spanish foods such as olives, jamon serrano. Compare Uk and Spanish foods.	Pupils learn to describe the origins of different foods from a given list. Pupils will research the origins of their favourite foods and present to class.	Pupils will learn to play simple note patterns using correct finger placement. Pupils are able to identify middle C and play short note sequences. Pupils are able to demonstrate keeping a steady pulse. Pupils are able to follow visual or teacher cues to perform. Pupils are able to describe how to make a smooth sound.	The landscapes of weaving Pupils will learn that weaving is the process of making fabric by interlocking two sets of yarn or threads Pupils will create a warp and weft weaving pattern using recycled card or paper.	Pupils will learn to listen to the Nativity story. Pupils will listen to the Nativity story.	REBOUND THERAPY Pupils will learn how to initiate a bounce from a seated position. Pupils are able to demonstrate pushing down on the trampoline bed to initiate movement from a seated position. Pupils are able to demonstrate using swimming arms to initiate movement from a seated position. BASKETBALL Pupils will learn how to execute a chest pass and bounce pass. Pupils are able to demonstrate 5 bounce passes and 5 chest passes to a partner with W grip, high elbows, a step and pushing motion at chest height.
Week 1 3 rd - 7 th Nov	Assessments- ELS Phonics Class Reader- Oliver Twist Pupils will be Introduced to the book: Pupils will participate in a discussion about Author. Narrative writing: -yr7) Pupils will learn to give their own response to the same clip of The Man on the Moon Pupils will participate in a class discussion on this.	Pupils will learn to recognise and explain the value of 1p in pence Pupils will find the value of a group of 1 p coins by counting in ones. They will find the value of a group of pennies and know how many pennies are needed to buy certain items.	Pupils will learn the names of different joints and how they move. Pupils will take part in class physiotherapy and exercise session in moving different joints safely. (Link to P.E warm ups) Pupils will complete display board on teeth and oral hygiene from last half term	Pupils will revisit Computing Systems. Pupils will recall that a general-purpose computing system is a device for executing programs	Pupils will learn to understand risk within the context of personal safety, especially road safety. Pupils will learn which crossings are safe to use and how to cross a road safely and “stranger danger”	Pupils will learn about Guy Fawkes and the gunpowder plot and safety on bonfire night Pupils will be safe on bon fire night	Pupils will create a Cams and Follow simple rotating toy from last half term rotary mechanisms topic.	Pupils will learn how to say some food and drinks in Spanish.	Pupils will recap on Basic knife skills-ensuring safe and appropriate technique for different ingredients (Claw and Bridge). Pupils watch staff demonstration	Pupils will learn to identify and explore the layout and sounds of the keyboard. Pupils are able to identify high and low notes on the keyboard. Pupils are able to demonstrate correct hand position. Pupils are able to describe the difference between black and white keys. Pupils are able to select and play a single note on cue.	This is craft Pupils will learn what is meant by the word craft and challenge traditional boundaries. Pupils will define what craft is and participate in a discussion on the relationship between art and craft.	Pupils will learn to identify who Jesus was to Christians. Pupils will	REBOUND THERAPY Pupils will learn how to get on and off the trampoline safely and how to be bounced in a seated position. Pupils are able to demonstrate walking up and down the steps using handrails and support if needed. Locate and sit down in the centre of the trampoline. Wait until they have stopped to stillness before attempting to get off the trampoline. Pupils are able to demonstrate correct hand and leg position when being bounced in a seated position BASKETBALL Pupils will learn how to dribble a basketball Pupils are able to demonstrate bouncing the ball on the spot using their fingertips at waist height. Some pupils are able to move around the hall while bouncing the ball.
	English <i>Class Reader:</i> Oliver Twist To engage in listening for 15 minutes. <i>Individual reading:</i> To read with a member of staff 10minutes daily. <i>Oxford Owl:</i> To follow ELS Phonics program	Maths Money	Science Zoolab animals to visit 11/11/25	Computing	PSHE Rights and Responsibilities and valuing difference	Humanities History- <i>What happens when a King breaks the law?</i> (yr8)	Technology <i>Templates in textiles: puppets</i>	MFL-Spanish	Food and Nutrition Food origins	Music Miss Beed Keyboard Skills 1 & Festive Songs	Art Oak Academy Year 7 An overview of craft	R.E Christianity <i>The importance of Christmas for Christians</i>	P.E Mr Gauden
