BA (Hons) PGCE; NPQH

Mr E Kewley
Head of School: Sandfield
BSC (Hons); PGCE; NPQH

Dear Parents and Carers,

We are coming to the end of the term; we finish school tomorrow (Friday) at the usual time and pupils return on Tuesday 6th January 2026.

It was lovely to see so many of you at the Christmas Fair last week and the performance of The Swamp this week. We hope to see some of you tomorrow for our Christmas Service which starts at 10am.

Can I remind you about our school website www.sandfieldparkschool.com which provides you with lots of information. You can access class timetables and planning for the half term along with photos for each class. To do this please go to the home page, click on the Sandfield circle link and then click on the Curriculum and Class Groups box, each class will be then on the left-hand side of that page.

In addition to the information on the website, there are photographs and videos of pupils undertaking school-based activities on social media, on Instagram, Facebook and X. Information is also sent to parents on the Evidence for Learning family app, showing individual pupil work, learning and achievements based on their EHCP outcomes.

If you are unable to access any of this information, then please contact the school office and we will help you to do this.

Attendance remains a priority for our school. Overall attendance has been above 90% for the majority of pupils, and we thank you for your support in ensuring the young people have access to their education and the amazing additional experiences school provides. We will continue to ensure we communicate any concerns, so we can offer support when needed. If you have any queries, please let us know.

May I take this opportunity to thank all the staff at the school for all their hard work this term, but especially in more recent weeks where they have made sure we have had some wonderful end of term activities for all the pupils of Sandfield to enjoy.

Thank you as ever for supporting the school and its pupils. We wish you a very Merry Christmas and a happy 2026

M Hilton

E. Kewley
