BA (Hons) PGCE; NPQH

Mr E Kewley
Head of School: Sandfield
BSC (Hons); PGCE; NPQH

Dear Parent/Guardian

We finish our school term at our usual time tomorrow (Friday).

We are really pleased with the efforts made by all our students during the term. You all should have received an email this week with a copy of your child's Autumn Term Report. Please share this with them and congratulate them on their achievements. There are always ways to improve so please ask your child to have a look at the advice from teachers in the report.

Attendance of course is a key factor in enabling children to make progress and we hope to keep improving on this next term.

This is an especially important time for Y11 students. They have already visited several colleges as part of the Enrichment Curriculum, and we will be providing more opportunities for them to visit post-16 providers and to have a go at some mock interviews next term. We also have our Y11 Parents Evening on Wednesday 4 February. We will send further details nearer to the time.

We have our first ever Residential coming up in March and are extremely excited about this. It is a fantastic opportunity for our students. We are developing a partnership with Brathay and looking at ways in which they can offer further opportunities for us to engage in.

The Bridge has been open now for its first term and we are pleased to be able to offer support for more young people. This has only been possible due to our partnership with Alder Hey Hospital and Ronald McDonald House.

Our fundraising recently for Mac House went extremely well and all the students seemed to enjoy the different activities and events. Please see our website for photos of the events that took place. We managed to raise an impressive £500- a big thank you for supporting this event. In January we will be inviting some of our students to present the money to the manager of Mac House. We will also have another fundraising week in the Spring term.

This term we have been able to support more young people by providing home tuition sessions to those who find it most difficult to leave their homes. This is a fundamental way to reach out to all young people who are unable to attend school.

All of our students have tried their very best this term to take part in what MNE can offer.
Very well done tp them!

We wish you all a very Merry Christmas and look forward to seeing you again in the new year. Pupils return to School on Tuesday 6th January 2026.

Kind regards

Mark Hilton Wendy Henshaw
