Subject: Temporary Pause on School Social Media Posts

Dear Parents and Carers,

We are writing to inform you of a temporary change to our school's use of social media.

Following a recent warning issued more widely about the potential misuse of pupil images online, we have taken the precautionary decision to pause all social media posts for the time being. Please be assured that this warning does not relate to any incident or concern within our own school. However, as always, the safety and wellbeing of our pupils is our highest priority, and we feel it is important to act cautiously.

We know that many families value the opportunity to see and celebrate the wonderful work and achievements of our pupils through these platforms, and we share that commitment. During this pause, we will be reviewing our current practices and exploring alternative ways to continue sharing pupils' experiences safely and appropriately.

We will keep you informed and will resume social media activity once we are confident that all necessary measures are in place.

Thank you for your understanding and continued support.

M Hilton and E Kewley
