

SF2 Core Subjects Medium Term Curriculum Plan Autumn 1 2026 2027

Week 8 19 th – 23 rd Oct	Pupils will learn how to communicate information about something of interest. Pupils are able to: - E2.4 Follow the gist of discussions. - E2.6 Make appropriate contributions to simple group discussions. - E2.17 Communicate information in words, phrases and simple sentences. EL3 - E3.5 Follow and understand the main points of discussions. - E3.6 Make relevant contributions to group discussions. - E3.19 Write text of an appropriate level of detail and of appropriate length. - E3.20 Use appropriate format and structure when writing straightforward texts (focus on paragraphs and bullet points). Speaking and Listening Assessment practice.	Pupils will learn how to subtract numbers in context using written and mental methods. EL2 - Pupils are able to: - E2.5 Subtract two-digit numbers of measure. - E2.12 Subtract two digit amounts of money. EL3 - Pupils are able to: - E3.2 Subtract three-digit numbers of measure. - E3.10 Subtract decimal amounts of money £.pp.	Pupils will learn about layout conventions of a document. Pupils are able to: - Understand the differences needed in layout for formal and informal communication. - Understand the differences needed in layout for familiar and unfamiliar audiences. - Identify the use of different layout templates.	Pupils will learn about atoms and isotopes Pupils are able to: - recall the definition of an isotope - show the parts of an atom - explain why an atom has no overall charge
Week 7 12 th – 16 th Oct	Pupils will learn how to express opinions and participate appropriately in discussions. Pupils are able to: - Write opinion statements with reasons. EL2 - E2.6 Make appropriate contributions to simple group discussions with others. - E2.5 Clearly communicate feelings and opinions. - E2.19 Write in compound sentences, using common conjunctions (e.g. or, and, but). EL3 - E3.6 Make relevant contributions to group discussions. - E3.3 Communicate information and opinions clearly. - E3.21 Write in compound sentences and paragraphs. - E3.18 Communicate information, ideas and opinions clearly and in a logical sequence.	Pupils will learn how to subtract numbers using written and mental methods. EL2 - Pupils are able to: - E2.5 Subtract two-digit numbers. - Understand the language of subtraction. - E2.12 Subtract two digit amounts of money. EL3 - Pupils are able to: - E3.2 Subtract three-digit numbers. - Understand the language of subtraction. - Subtract three digit amounts of money.	Pupils will learn about how to combine elements of a document. Pupils are able to: - Combine text, graphics, images, charts and tables on a document. - Edit a document to make it fit for purpose.	Pupils will learn about the structure of an atom Pupils are able to: - describe the structure of an atom - recall masses and charges of parts of an atom - recall what the atomic number and atomic mass of an element means
Week 6 5 th – 9 th Oct	Pupils will learn how to communicate effectively in everyday community situations. Pupils are able to: - Role play different community scenarios. EL2 - E2.2 Make requests and ask clear questions appropriately in different contexts. - E2.18 Complete a form asking for personal information. - E2.13 Use question marks correctly. EL3 - E3.7 Listen to and respond appropriately to other points of view, respecting conventions of turn-taking. - E3.2 Make requests and ask concise questions using appropriate language in different contexts. - E3.13 Use question marks correctly.	Pupils will learn how to add numbers together in context using written and mental methods. EL2 - Pupils are able to: - E2.5 Add two-digit numbers of measure. - E2.12 Add two digit amounts of money. EL3 - Pupils are able to: - E3.2 Add three-digit numbers of measure. - E3.10 Add decimal amounts of money £.pp.	Pupils will learn about editing and formatting charts. Pupils are able to: - Insert a chart into a document. - Shrink and enlarge a chart. - Add captions to a chart.	Pupils will learn about how electromagnetic waves travel Pupils are able to: - recall speeds of electromagnetic waves - recall when electromagnetic waves will change speed
Week 5 28 th Sept- 2 nd Oct	Pupils will learn how to understand, follow and give instructions in different situations. Pupils are able to: - Write a short set of instructions using sequencing words. EL2 - E2.1 Identify and extract the main information and detail from short explanations. - E2.5 Clearly express straightforward information and clarify when needed. - E2.17 Communicate information in words, phrases and simple sentences. EL3 - E3.1 Identify and extract relevant information and detail in straightforward explanations. - E3.3 Communicate information and clarify when needed. - E3.18 Communicate information, ideas and opinions clearly and in a logical sequence.	Pupils will learn how to add numbers together using written and mental methods. EL2 - Pupils are able to: - E2.5 Add two-digit numbers. - Understand the language of addition. - E2.12 Add two digit amounts of money. EL3 - Pupils are able to: - E3.2 Add three-digit numbers. - Understand the language of addition. - Add three digit amounts of money.	Pupils will learn about editing and formatting tables. Pupils are able to: - Insert a table into a document. - Format a table for purpose. - Adjust borders on a table.	Pupils will learn about uses and dangers of electromagnetic radiation Pupils are able to: - describe some uses of electromagnetic radiation - describe some harmful effects of electromagnetic radiation
Week 4 21 st – 25 th Sept	Pupils will learn how to introduce themselves, share personal information appropriately and listen to others in a social context. Pupils are able to: - Share appropriate information about themselves to a peer. EL2 - E2.2 Make requests and ask clear questions appropriately in different contexts. - E2.3 Respond appropriately to straightforward questions. - E2.13 Use full stops and capital letters correctly. EL3 - E3.2 Make requests and ask concise questions using appropriate language in different contexts. - E3.4 Respond appropriately to questions on a range of straightforward topics. - E3.13 Use full stops and capital letters correctly.	Pupils will learn how to approximate numbers by rounding. EL2 - Pupils are able to: - Find 1, 10 or 100 more or less - E2.9 Approximate by rounding to the nearest 10. - Round amounts of money to the nearest 10p EL3 - Pupils are able to: - Find 1, 10, 100 more and less mentally. - E3.5 Approximate by rounding numbers less than 1000 to the nearest 10 or 100. - E3.11 Round amounts of money to the nearest £1 or 10p Pupils will learn how to express money correctly. EL2 - Pupils are able to: - E2.12 Write money with pence up to one pound and in whole pounds of multiple items with the correct symbols (£ or p) EL3 - Pupils are able to: - E3.10 Express money correctly in writing in pounds and pence	Pupils will learn about editing images. Pupils are able to: - Crop, rotate and resize images. - Understand what changing contrast and colour balance will do. - Add a suitable caption to an image.	Pupils will learn about the electromagnetic spectrum Pupils are able to: - name the parts of the electromagnetic spectrum - recall the order of the electromagnetic spectrum
Week 3 14 th – 18 th Sept	Pupils will learn how to find the meaning of a word and sequence words in alphabetical order. Pupils are able to: - EL2 - use effective strategies to find the meaning of words and check their spelling (e.g. a simple dictionary, spell-checker). - use the first and second letters to sequence words in alphabetical order. EL3 - use effective strategies to find the meaning of words (e.g. a dictionary, working out meaning from context; using knowledge of different word types). - use the first, second and third place letters to sequence words in alphabetical order.	Pupils will learn how to compare and order numbers. EL2 Pupils are able to: - E2.2 Compare and order numbers to 200 or 1,000 - E2.11 Read and write decimals to one decimal place. - E2.11 Compare and order decimals with one decimal place EL3 Pupils are able to: - E3.1 Compare and order numbers up to 1,000 or 10,000. - E3.8 Read and write decimals up to two decimal places. - E3.8 Compare and order decimals with two decimal places.	Pupils will learn about editing and formatting graphics. Pupils are able to: - Use a suitable application to enter, edit and format graphics. - Understand the use of captions and rotation of graphics.	Pupils will learn about wave speed Pupils are able to: - define the properties of a wave - use an equation to find wave speed - explain the difference between longitudinal and transverse waves
Week 2 7 th – 11 th Sept	Baseline Assessments for reading and spelling.	Pupils will learn the value of numbers including decimals. EL2 Pupils are able to: - represent numbers to 200 or 1000 using place value equipment. - identify the place value of ones, tens and hundreds in a number up to 200. EL3 Pupils are able to: - read and write integers to 1,000 or 10,000 - identify the place value of ones, tens, hundreds and thousands in a number.	Pupils will learn about editing and formatting text . Pupils are able to: - Use a suitable application to enter, edit and format text. - Understand the use of headings, subheadings, line spacing and paragraphs.	Pupils will learn about wave transfer Pupils are able to: - explain wave transfer - identify sections of a wave
Week 1 3 rd /4 th Sept	INSET DAY	INSET DAY	BKSB Assessments	SETTLING DAY
	English- LC Spelling Targets each week	Maths- LC Number bond practice each week – to 10, in tens to 100 or to 100.	Computing- LC	Science - LC
